Schools are required under the Equality Act 2010 to have an accessibility plan.

School aims

Our Lady & St Philomena's Catholic Primary school is an inclusive school and our values reflect our commitment to a school where there are high expectations for everyone. We aim to treat all pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind. Everyone in our school is important and included. We offer a broad and balanced curriculum and have high aspirations and expectations for all children. The achievements, attitudes and wellbeing of every pupil matters.

Purpose of plan

This plan shows how Our Lady & St Philomena's Catholic Primary School intends, over a period of three years, to increase the accessibility of our school for pupils, staff, parents/carers and visitors SEND (special educational needs and disabilities)

Disability definition

You're disabled under the Equality Act 2010 if you have a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.

- 'substantial' is more than minor or trivial, e.g., it takes much longer than it usually would to complete a daily task like getting dressed
- 'long-term' means 12 months or more, e.g., a breathing condition that develops as a result of a lung infection

Our Accessibility Plan will aim to:

1. Increase the extent to which disabled pupils can participate in the curriculum
2. Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
3. Improve the availability of accessible information to disabled pupils/parents
