What schools must publish

Schools must publish information about their governing body and its committees, in line with the constitution of governing bodies of maintained schools.

What schools should publish

Schools should publish information about the structure and remit of the governing body and any committees, including the full names of their chairs.

Schools should publish, about each governor who has served at any time over the past 12 months:

- their full names
- the date they were appointed
- their term of office
- the date they stepped down, where this applies
- who appointed them, in accordance with the governing body's instrument of governance
- their attendance record at governing body and committee meetings over the last academic year

- Schools should publish governors' relevant business, financial and pecuniary interests, including: governance roles in other educational institutions / any material interests arising from relationships between governors or relationships between governors and school staff, including spouses, partners and close relatives.
